

## TOOTMISOHJE SERTIFIKAAT CERTIFICATE OF FACTORY PRODUCTION CONTROL

No 070/08

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction products

### Concrete sleepers

characterised by **EN 13230-1 (Railway applications - Track - Concrete sleepers and bearers – Part 1: General requirements)** and by **EN 13230-2 (Railway applications - Track - Concrete sleepers and bearers – Part 2: Prestressed monoblock sleepers)**

intended for use for railway applications

and produced by the manufacturer

### AS E- Betoonelement

(Reg No 10098158, Tammi tee 51, 76902 Harku, Estonia)  
in the factory

### Rakvere factory

(Pk 277, 44302 Rakvere, Estonia)

is submitted by the manufacturer to initial type testing of the products, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan.

### Certification Centre of Tallinn University of Technology

as the Approved Body has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

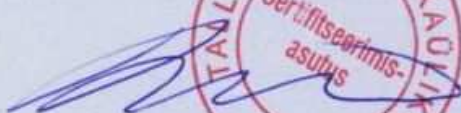

**EVS-EN 13230-1:2005 ja EVS-EN 13230-2:2003**

were applied.

This certificate was first issued on 3 March 2008 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Originally issued in Estonian.

Tallinn, 3 March 2008

  
Toomas Laur  
Director of Certification Centre of  
Tallinn University of Technology
